## Makes Our Business Grow.

SHOE-SATISFACTION

Competition increasing every season—others quoting prices as low as ours—and yet-our sales are growing steadily larger in volume. Why is this? It is simply because our shoes ALWAYS wear and give general satisfaction. The larger our business grows the more largely and advantageously we can buy-and the better or cheaper our shoes. The shoes we are selling this fall have POSITIVELY never been equaled for the price-and our largely increased sales fully prove that this claim is no idle boast. Tomorrow again we shall demonstrate to you that:

> "No House in America Can Supply Your Shoe-Wants Better or More Cheaply Than We."

Among the following prices are some that are specially low for tomorrow onlydon't overlook them:
